

NOTICE OF SPECIAL GENERAL MEETING

NOBBYS CONTITUTION

At the Nobbys Annual General Meeting – conducted on the 23rd July 2017 – our Nobbys members voted in favour of Amendments to **“The Nobbys Constitution”**.

Following the lodgement of the **“Nobbys Constitution”** with the Department of Fair Trading – NSW we were advised that due to the wording – **“Section 1”** and **“Section 2”** that this would not be accepted and further amendments were still required.

Based on the recommendations and after consultation with the Club’s Legal Representative, Nobbys SLSC is required to remove the words **“Section 1”** and **“Section 2”** at a Special Meeting.

Eligible members only are now required to record a formal vote as a **“New Constitution”** before the Department of Fair Trading – NSW can accept the document.

Nobbys SLSC hereby inform members that Nobbys SLSC will conduct a Special Meeting on Sunday 22nd July 2018 at 10.30am – this is 30 minutes prior to the Annual General Meeting to vote on the following two (2) motions:

1. “That the words Section 1 and Section 2 be removed from the Clubs Constitution”
2. “That Nobbys SLSC accepts and adopts this as the Clubs NEW Constitution”

Kind regards

Narelle Blick
President
