

## Nobbys Little Rippaz – 2018/19 Season

### Program Information:

The Nobbys SLSC 'Little Rippaz' program, first started in 2014-15 Surf Season & formerly known as Same Waves or New Waves is back for another amazing season.

This modified Nipper program is designed to support children (under 6's upwards) with special needs particularly those with Autism who may otherwise find the beach a scary or not so enjoy-able experience.

Little Rippaz teaches surf skills, beach awareness and surf life saving games in a fun, safe and inclusion environment. It also gives the kids an opportunity to make new friends and for parents/carers to network a little more... Ice-creams at the end of the day aren't too bad either!!!

The program generally runs on a Saturday from 9.45 to 11am for up to 20 children offering a range of activities including board riding, beach flags, beach sprints, sack races, sand castle building, parachute game, giant ball games, soccer and water activities.

Each child has two water safety people who are lifesavers and all children participating in the program receive a rash vest and nippers cap.

### Cost:

Free – Thanks to our club sponsors and dedicated volunteers we are able to offer this program free of charge with the aim of giving every Aussie child the chance to enjoy the Aussie Nipper experience.

### Coordinators:
