

Manufacturer: Wattyly

Product: SIGMADur 400

## **GENERAL INFORMATION**

Before opening and using any product, including Thinner, it is important to read and fully understand the information contained in both the relevant Technical Data Sheet and Material Safety Data Sheet.

## **RISK**

Harmful by inhalation, and in contact with skin, irritating to eyes and skin. May cause sensitisation by inhalation and skin contact. Over exposure or repeated exposure may cause sensitisation. Breathing vapour or spray mist is harmful and may cause asthma-like reaction.

## **SAFETY DIRECTIONS**

Ensure adequate ventilation when using. If inhalation risk exists, wear suitable respiratory equipment. Wear a positive-air pressure air-supplied full-faced respirator whilst spraying and until spray mist has been effectively dispersed. Avoid contact with skin, eyes and inhalation of vapour, or spray mist. Wear overalls, protective gloves and safety glasses. Keep container closed when not in use. Keep away from sources of ignition. Do not empty into drains. Take precautionary measures against static discharges.

## **FIRST AID**

For advice, contact a Poisons Information Centre (Phone 13 11 26) or a doctor. If swallowed do NOT induce vomiting. If in eyes, hold eyelids apart and flush eye continuously with running water. Continue flushing until advised to stop by the Poisons Information Centre or a doctor, or at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If inhaled, remove from contaminated area. Apply artificial respiration if not breathing.

## **SPILLS/LEAKS**

Shut off all ignition sources. Wear protective equipment and private ventilation. Contain spill with absorbent material. Place material in sealable container for disposal. In transport emergency dial 000 Police or Fire Brigade.

## **FIRE**

Use foam or dry chemical. Wear breathing apparatus.
